Please could you read through this contract with your child ensuring that he/she understands the rules and they are aware of the consequences should these rules be broken.

Thank you for taking the time to read through, and complete this contract with your child, but we are confident that as a parent/carer you understand the importance of this issue.

Ithe parent/carer of
understand and agree with the contents of this contract and have ensured that my child also understands.

CHILD CONTRACT

I..... am aware that bullying of any kind will not be tolerated at Netherley Youth & Community Initiative, and that I accept the consequences given should I break these rules.

I..... understand that should I break this rule I will be given a verbal warning by a member of staff.

If I break this rule a second time my parent/carer will be informed, and I will be excluded from any youth sessions for ONE WEEK.

If I continue to break these rules and have to be spoken to by a member of staff for a third time, again my parent/carer will be informed and this will result in my exclusion from any youth sessions for ONE MONTH.

I..... understand and agree with the contents of this contract, and accept the consequences given for any rule breaking.

Signed
